The Shortest Day behind us,

with brighter days to come:

May 2021 Shine Brightly on us all.

.....

Plagues have come and gone;  
Love + Gratitude endure.

Sometimes, when I find myself unsure of 'the question,'  
I listen to this Todd Rundgren # : <https://www.agelesschild.com/T-R-LuvAnswer.mp3>

Wishing you and yours a wonderful holiday season and a healthy, peace and joy-filled New Year of 2021.....Kernel
